Welcome to Term 2

Welcome back to school for Term 2. I would like to extend a special welcome to all those new families at our school this term. We trust that you will enjoy a wonderful time with us.

It was pleasing to return to see students looking great in their uniforms and ready for learning. As you all know, we do uniforms checks regularly. Since it is now cooling off and winter isn’t far away, students will need jumpers or tracksuit tops to keep warm. The school uniform is PLAIN NAVY jumpers, polar fleeces or hoodies. Clothing that has large writing on it or is multicoloured, is not part of the Scone High School uniform.

If families are unable to afford new jumpers, please give Ms Hunt a call or write a note requesting support for the purchase of such items. The matter will remain confidential and your child will be in uniform and warm.

Workshops for Horse Festival

Students are invited to attend some workshops to help complete the props for our float entry. These will happen in the Library this week after school on Monday, Wednesday and Thursday. Teachers will also be assisting, so please come along and help make our float an outstanding one.

I would like to thank the following staff members who have been busy sewing Horse Week costumes for our students: Mrs Eather, Mrs Frost, Mrs Collins, Mrs White, Mrs Bradshaw, Mrs Bishop, Miss Davis, Mrs Barton, Ms Adams and Mrs Elliot. They have been working hard and I thank them very much for their extra efforts, on behalf of our students.

Horse Festival

This weekend, our school will be involved in the Horse Festival Parade. Our P & C will have a BBQ near the post office, so please go along and support them. They make great bacon and egg rolls, and many other goodies.

Our students will be involved on our float. Students are to meet Ms Hunt just over the railway crossing in Kingdon Street at 9.30 am. They are to wear black tights or pants and T-shirts and comfortable walking shoes. Students will help assemble our float entry and blow up our balloons. Students can be collected from the same spot at the end of the parade at approximately 12 noon. It is recommended that students wear sunscreen and bring a bottle of water with them for the parade.

Year 12 Parent/Teacher Interviews this Thursday

All parents and Year 12 students are encouraged to come to the Library between 4.00pm and 6.00pm this Thursday, 8th May to discuss progress, and how students can build on their results and improve in any way before the next Year 12 exams. An invitation and booking sheet was sent home to all year 12 families last week. Please get your student to book times with their teachers.

Year 12 VET Work Placements

VET students in Year 12 should have been online and registered their requests for work placements, which take place in Week 4 and Week 6 of this term. Students are encouraged to check with their teachers to ensure that they have the correct week and that their forms have been submitted online.
Years 7 and 9 NAPLAN Testing in Week 3
All years 7 and 9 families will have received information towards the end of Term 1 on the National Testing Program in literacy and numeracy. These are important tests that are a small part of the assessments we do at schools. They provide us with information about each student and their progress since Years 5 and 7, and compare them to others in the state. It is absolutely vital that all Years 7 and 9 students are present on Tuesday 13th, Wednesday 14 and Thursday 15th May 2014. The only reason that students might not be present is if they are in hospital. If this happens, parents are asked to contact the school to inform us.

Year 11 Exams in Week 4
All Year 11 students should be working hard, and for extended periods of time, towards doing their best in their half yearly exams in Week 4 – Monday 19th to Friday 23rd May 2014. They should be spending extra time summarising their class work and learning it from their summaries. We recommend at least 3 – 4 hours every day from now right up to and throughout the exams.

Years 7 and 8 Exams in Week 5
These exams take place between Monday 26th and Friday 30th May 2014. Students will receive a time table soon. Please ask them for it. Some exams will be in class, while others will be in whole year groups in the MPU. Students should be going over their work every evening and should be putting in a couple of extra hours EVERY day from now on.

Years 9 and 10 Exams in Week 6
Years 9 and 10 know the procedures for exams and should be preparing with extra work at home from now onwards. Their exams are both in class and as whole year groups in the MPU. A timetable of exams will be made available soon for Monday 2nd – Friday 6th June 2014.

Does your family get their newspaper every Friday?
Throughout Term 1, our students have been participating in a program to enhance their reading skills in roll call each Friday. Every student receives a newspaper which they read in roll call, discuss with their roll group and take home for the family each weekend. The program is running really well, but some students are not taking their paper home. If you would like a newspaper each Friday, please ask your student to bring it home with them.

Has your student given you the school’s calendar?
Many students have not collected their family’s calendar for 2014 from the front office. They cost the school quite a bit and they contain excellent information to assist families when planning their activities and learning. Please encourage your child to come and get your copy, or perhaps call in at the front office and get one yourself. We can also mail them out if you give the front office staff a call.

Sports Trivia Night
On Wednesday 14th May, our school is holding our Annual Sports Trivia Night. Why not support the students by coming along with some friends? It’s always a fun night. Contact Mr Croucher at the school on 6545 1455 if you would like to be involved. If you can’t get 8 people together, let him know you are interested, and we will find a team for you to join. All proceeds from the evening support sport at Scone High School.

Scone Cup Day is a Pupil Free Day
On Friday, 16th May, we are having a School Development Day. Our teachers will start earlier than usual and participate in a range of learning activities encompassing Work Health and Safety, curriculum modification to meet student needs, and the implementation of the new Australian Curriculum. Students are not required to attend school on this day.

Athletics was great last week
Congratulations to all those students who attended the Athletics Carnival last Friday. It was a fantastic day with many students participating and enjoying being outside with their year groups in a different setting to regular school.

Thank you to our Royal Easter Show Staff
Thank you to Mrs Eather and Mr Ryan for taking the students in the Steer Show Team to the Royal Easter Show. They had a wonderful time and the experience was fantastic for our students. A report will appear in the next newsletter.

Stewart House Day
Scone High School SRC is supporting the Stewart House 2014 Donation Drive, which is this Friday 9th May. Stewart House is a charity that helps over 1800 children who attend public schools each year. All students have been given a donation envelope and if you wish to make a donation please return this envelope with your donation to Roll Call teachers this Friday or drop your donation into the school office.
Japanese Culture Excursion

On Tuesday the 8th of April, a small group of students from Scone High School travelled by train to Newcastle to experience a day of Japanese culture. After the two hour train trip, the students walked to Nobby’s Beach where they ate morning tea and walked along the beach. From there they walked to Tower Cinema to watch a Japanese Anime film by Hayao Miyazaki called ‘The Wind Rises’. After the movie, the students walked to the Nagisa Restaurant where they feasted on a Japanese banquet of miso soup, sushi and octopus. They finished the meal with green tea ice cream. The students had a fantastic day out and were able to experience a little bit of Japan in Newcastle.

Report by Chloe Flanagan, Grace Coombes and Amelia Meier.

Open Boys Tennis

Scone High School Open Boys’ Tennis Team consists of Tom Logan (12), Isaac Smith (11), Campbell Jeffries (9), Nick Crackett (9), and Ben Crackett (9). The boys played Singleton High at Scone in the first round of the 2014 competition in Term 1. All of the boys played well on the day, with Isaac Smith being the stand out player. Unfortunately, Singleton were too strong and Scone High were defeated on the day. All boys represented themselves and the school with great sportsmanship and good humour. All the best for next year boys.

Open Girls Netball 2014

On Tuesday 4th February, our Open’s Netball team started their 2014 season. Our opponents on the day were Muswellbrook High School and Singleton High School. Although we are traditionally competitive with both schools, we have not made it past this stage during my time at Scone High School.

This year was a completely different story. The Scone High Team were very convincing victors. Lauren Eccles was impressive as captain and helped to keep the opposition attack under control. Hollie Collison was imposing in defence and snatched many crucial rebounds. Ainsleigh Crisp made sure that the shooters had no room to move while Georgie McGuiness took intercepts all over the court. Our own shooting end was solid with the always accurate Kirsten Smith and Abby Jones completely controlling their circle. The shooters could not do their job without the amazing passes by Codie and Bri Muddiman and all the girls were supported and assisted on the day by Abbey Rose Winter and the injured Teagan Tickner.

The scores were; Game 1 – Scone High School 22 defeated Muswellbrook High 5
Game 2 – Scone High School 23 defeated Singleton High 8.

This outstanding result meant that we progressed to the next round at Newcastle Netball courts on Friday 21st March, where we played Toronto High School. It was a closely contested game, but through determination and persistence, Scone High was victorious again 42-35.

Unfortunately, in our next round, we encountered a very experienced and strong Warners Bay High team. This was the end of the road for our 2014 season but the girls could walk away with their heads held very high. I am so proud of the effort they applied across all of their games.

I would like to give a special thank you to Vanessa Muddiman for transporting and umpiring on both days and to Anne Eccles for her support.

I am very excited about next year and am in the process of designing and ordering new dresses for our talented players. To purchase sporting equipment and new uniforms, Scone High School relies heavily on our Annual Sports Trivia night. Without your support of this event, our student resources would be limited. So I urge you to please support the SCONE HIGH SCHOOL SPORTS TRIVIA NIGHT on WEDNESDAY 14th MAY at the Scone Bowling Club. Contact the school to book your table NOW!

Navigating Teen Relationships
Navigating teen relationships can be difficult, especially in the year of 2014 where social media, selfies, body image, sexting and the yearn for the perfect body has never been more in the forefront of our young people’s mind.

So as a parent, teacher, coach, community welfare worker etc, how do we learn to understand what it is like to be a teenager in this generation and to adapt and be patient with the teenagers we know?

Upper Hunter Community Services has sourced Nina Funnell, a Sydney based researcher, author and speaker, to give her insights and expertise on teen relationships.

Two workshops are on offer;
**Parent Workshop, Wednesday 30th April, 6-7pm, Muswellbrook Workers Club, $25.00pp**

**Educators and community welfare sector workshop, 1st May 2014, 8.30am-4.30pm, Muswellbrook Workers Club, $80.00pp**

For more information and to register please contact Upper Hunter Community Services on 6542 3555.

ROTARY AUSTRALIA & NEW ZEALAND STUDENT EXCHANGE 2015 PROGRAM

EXPRESSIONS OF INTEREST OPEN

This program is designed for 14-16 year old students (In Year 8, 9 or 10 in 2015) to experience a true ‘exchange’ with a family in New Zealand. Local students are matched with a New Zealand student and the New Zealand student will attend school in Australia during Term 2, 2015. Both students then return to New Zealand and attend school there for Term 3, 2015.

The student’s family hosts the NZ student and includes them in their normal family life.

This is an exciting way to experience another culture with the support of Rotary.

More information and expression of interest forms can be found at [www.ranzse.org](http://www.ranzse.org)
